trary to their informant's information, contained no pornographic material but merely legitimate printed material.

The above officers further requested information from the Buffalo Division regarding Water Export Company, 220 Delaware Avenue, Buffalo, New York. Informantion concerning this company had recently been developed through another investigation by this Office in regards to a Copyright Matter case and this information was also furnished to them.

In light of above direct contact [redacted] no LHM is being submitted in this matter.

Investigation continues at Buffalo regarding ITOM information furnished by [redacted] and Bureau will be advised of pertinent results.

Remylet, 7/11/72.

Further contact with [REDACTED]

[REDACTED] 8/15/72, has determined that their investigation regarding the Capital Distributors Company, Ltd. Oakville, Ontario, has failed to develop further information regarding pornographic shipments from captioned company (located in Derby, Connecticut) nor from any other companies in the U.S. reported to them as sending obscene matter to the above Canadian company.

b7D

[REDACTED] further advised that their informant appears to be no longer in a position to or willing to furnish information in this matter. They requested no further information or investigation within the U.S. at this time and stated they will immediately contact the Buffalo Office in the event such assistance is desired or if information of value to the FBI comes to their attention.

b7D

Information provided by [REDACTED] concerning identity of companies within the U.S. reportedly dealing with the Canadian firm has been forwarded for information to Bureau Field Divisions involved.

UACB and pending further requests from [REDACTED] no further investigation is being conducted in this case.
